Dear Parent(s)/Carer(s)

Weekly Parent Workshop.

This year we will be running an exciting weekly Parent Workshop where you can join in a range of activities with your child in Nursery. This is a fantastic opportunity to share in your child's learning.

Each week there will be an opportunity to take part in a different learning activity with your child. It will be a chance to share your child's love of learning and learn some ways in which you can help your child develop at home.

Grandparents, relations or carers are welcome to attend if it suits your routine better. However due to limited space in the classroom we ask that only one adult per child attends each session. This can be a different adult each time if you wish, for example Mum one week and Dad another.

The Parent Workshop will be run on a different day each week to try and ensure all parents have an opportunity to attend. Please check the timetable to ensure you have the right day if you wish to attend. If you are not sure please ask a member of Nursery staff.
