Y6

Tuesday 12th June Y6 visited Crucial Crew in Huyton where they took part in lots of workshops for keeping safe and healthy. The workshops covered knife crime, on line safety, keeping safe in the community and so much more.

The children engaged well in all the workshops and learnt so much.

Eden Camp

Y6 enjoyed their visit to Eden Camp War Museum on Thursday.

They experienced life during the Blitz, what the blackout was like and what life was like for women and children. They were all eager to join in with the music show!

Well done to Y1 for all your hard work on Phonics test.
Good luck.

Y2 have began their free trial of rugby with St Helens Rugby Club this half term and are having lots of fun learning new sports skills.

Y4 Yorvik Viking Trip

The day started at the museum and observed an archaeological dig under a glass floor, they travelled through a reconstructed Viking village and observed the people, buildings, shops, smells and sounds of Viking life.

They had to act as archaeologists digging to find hidden artefacts and determine what the Vikings had used them for.

They had a lovely day and were praised for their great behaviour as usual. Well done!

School Council meet with Knowsley Environment Officer

Our School Council met with Paul Costello, LA Environment Officer and Mrs Afflick to see how we can help make our school community aware of reducing litter and looking after our community.

The School Council listened well and had some good questions to ask. We look forward to sharing this information in an assembly later this month with all the school.
