Our fiction book this half term is ' **Diary of a KILLER Cat**' by Anne Fine

The hilarious antics of **Tuffy the killer cat**, in his own words... Poor Ellie is horrified when Tuffy drags a **dead bird** into the house. Then a mouse. But Tuffy can't understand what all the fuss is about. Who on earth will be the next victim to arrive through the **cat-flap**?

## Year 2 Summer 2 learning

our other fiction book is '**Magic Finger**' by Rold Dahl. The Magic Finger is narrated by an eight-year-old girl growing up on a farm in the English countryside, next door to the Gregg family who have a passion for hunting. The titular "Magic Finger" is an ability she has that activates inadvertently whenever she gets intensely angry: the finger shoots out a beam of energy that apparently seeks out whoever has angered the girl, with unpredictable consequences.

### History

**Our topic is London's Burning in History.**

This is an important time to learn about, London 1066, when the city was destroyed by a huge fire. We learnt a lot from this disaster and because of it we now have many safety rules about houses, city planning and fire rescue. Learn about how it started in a small bakery in Pudding Lane and how it spread quickly because of the weather, wooden buildings, cramped streets and a long hot summer.

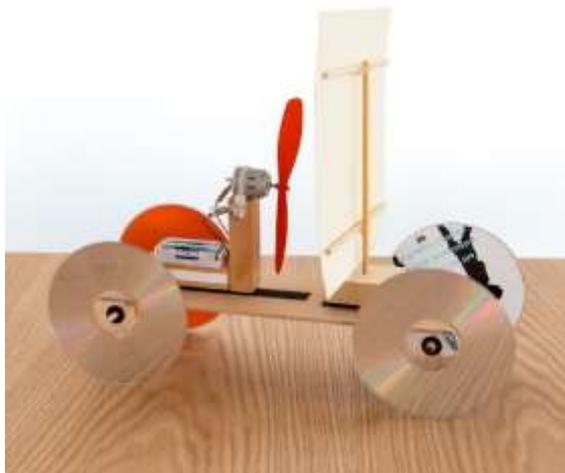

Learn how we know this through reading the diary of Samuel Pepys, evidence in famous paintings and newspaper reports.

You could keep a dairy like Samuel Pepys about the daily happenings in your life now. How life is very different and not going to school.
