Months of the Year

This week's spellings are many of the months of the year.

They are all **proper nouns**.

Because they are proper nouns, they always begin with a **capital letter**.

Months of the Year

January

June

Can you air write one of these months?

February

July

Can you find someone in your class who has a birthday in one of these months?

March

August

Using your finger, can you write one of these months on a friend's back? Can they guess which month you wrote?

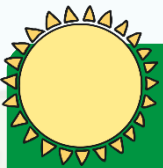

April

September

May

October

Watch out!

One of the months of the year contains a silent letter that is easy to forget!

Which month do you think it is?

Don't forget the silent 'r'!

Using your finger, can you write this month on your table or the carpet?

Can you come up with a mnemonic to help you remember this tricky spelling?

Here are this week's spellings to practise.

January

February

March

April

May

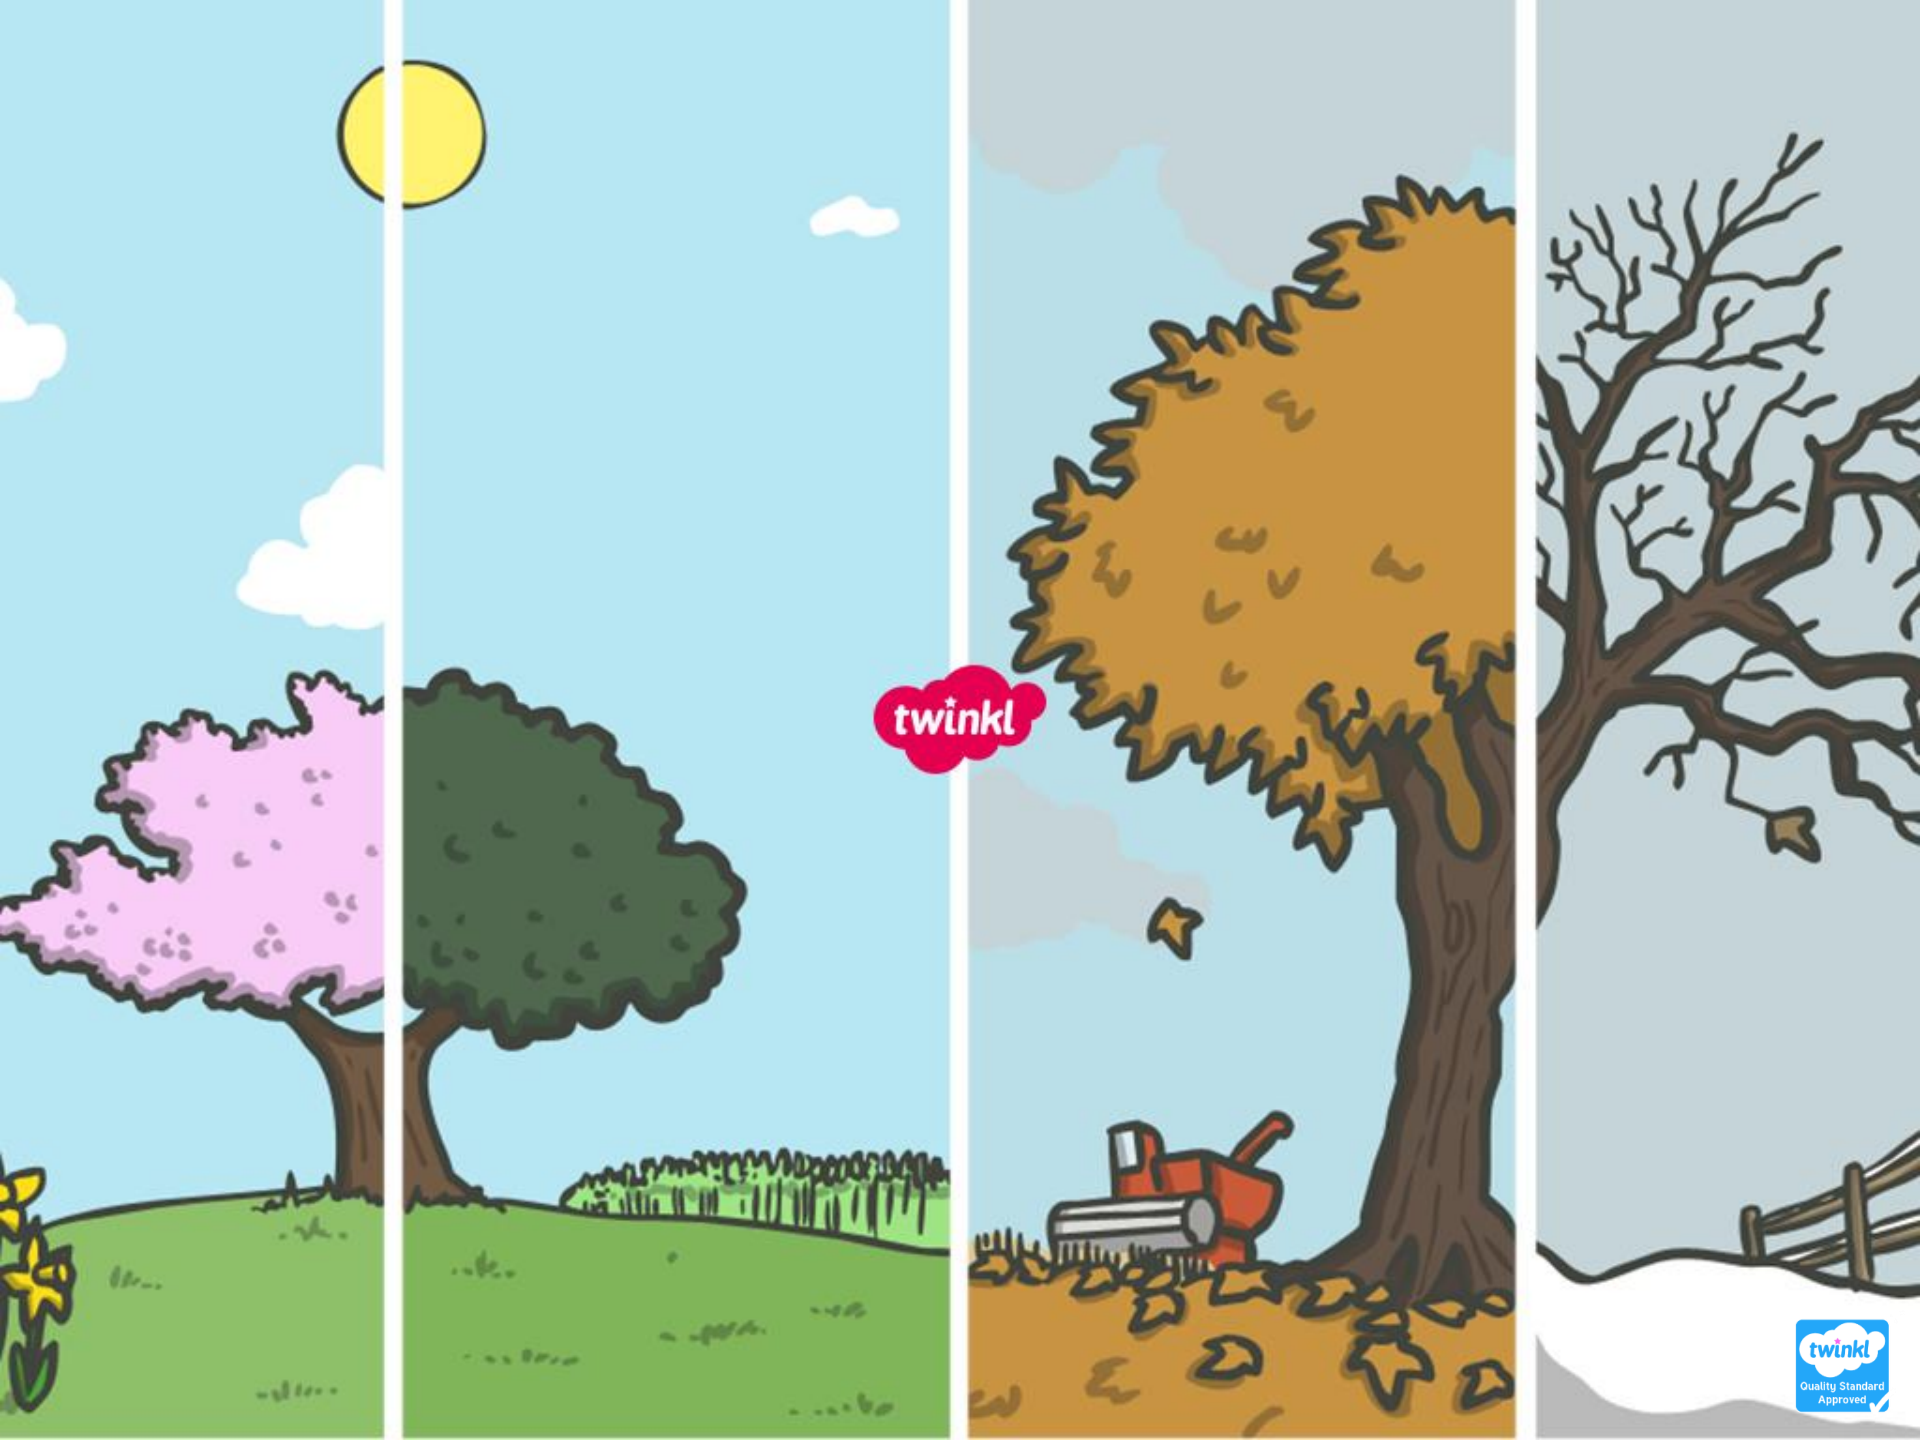

June

July

August

September

October
