While on your daily exercise around the park, see if you can find these nine bird pictures hidden in the park. Once found put a tick in the boxes next to the picture, see if you can get a full house. Also have a go from the facts on the pictures hidden in the park to see if you can name the birds.

Answers in the notice boards but no cheating until you are finished.

If you enjoyed this have a go at the Big Garden Birdwatch 29-31 January from your own garden and see what birds, you can spot. Don't forget to stay safe and keep your distance.
