Dear Parents/Carers,

I hope this letter finds you well as we continue in this pandemic and current lockdown. Infection rates continue to be very high across the country and particularly here in Knowsley. It is vital we all follow government guidelines to keep each other and ourselves safe. I appreciate it is a very challenging time for all currently and I send a big thank you for your ongoing efforts and support with your child on their home learning. It has been wonderful to see the lovely work produced. As a school we need to provide a full curriculum for our pupils at home online and/or paper packs but all staff appreciate this can be difficult for you at home with lots of other concerns and challenges during this pandemic, as for us all.

All staff are working hard to support you with this challenge and to keep our school open for keyworkers and vulnerable pupils. All we can do is all try our best at this time. We ask that you try to support your child with their home learning and link up with staff if you are struggling, as we are all here to support you.

Keep going and stay safe.

Thank you for your continued support, as always.

Angela Afflick
