Money p.1144-p147

Work through the **discover, share** and **think together** work.

Write some more examples in your book if you can.

Only try the challenge if you can!

Upload some of your work in see-saw to show please.

## English

Open the link and listen carefully to the poet telling you how he wrote the poem, and then perform it.

**Poetry**<https://vimeo.com/162518941>

Watch together Michael Rosen performing his poem again and then read together 'The Rhythm of Life' What rhythm and patterns did you identify in the poem?

Become familiar with the text, then perform the poem, adding a beat, hand and body movements.

Maybe you could add your own ideas.

## Geography: let's go on Safari lesson 1

This topic teaches your child about a contrasting country with varying differences in climate and geography. They will learn about Kenya and it's amazing landscape, animals and climate

Read the slides together then complete the worksheet

This powerpoint is on seesaw

This is a great show on cbeebies

## English

### Poetry

Open link again and perform with the poet the poem, now that you know it.  
[poetryhttps://vimeo.com/162518941](https://vimeo.com/162518941)

Let's add a new verse to the poem. See worksheet.

This is another poem written by the same author. Enjoy!

## PE.

### Throwing and catching game.

## Reading/ Eplatform:

Can you read a page from your book for me on seesaw. It can be any book or comic you are enjoying.
