Below you will find some information about the latest Family Learning courses on offer. Please get in touch if you would like any more information, or to book onto one of the FREE courses.

Key Stage 2 Maths (Year 3 – Year 6) - If you would like to know how you can support your child with learning the 4 rules of number (addition, subtraction, multiplication and division), we offer a series of 2 workshops called 'Key Stage 2 Maths'. These sessions are offered remotely via Zoom and take about 2 hours. You will be given information on how children in Key Stage 2 are taught maths, exploring a range of methods used in schools today. You will also receive ideas for how you can support your child.
