

English

Fiction – The Jolly Postman/The Emperor's Egg

The children will explore themes and issues in these stories and develop ideas through discussion, drama, storytelling and artwork.

Art – Formal Elements

This term the children will be examining shape, line and colour in our Art lessons. The children will work on mixing colours and also produce a collaborative piece of work together as a class based on water.

Year 1 – Autumn 1 2021
Topic – Our School and Surroundings

Geography – Our School and Surroundings

This term the children will be identifying the geographical features of our school and our local area. The children will be exploring our school and the outside areas as well as developing their knowledge of how we can use maps.

RE – Harvest of Hands

The children will be learning about the different ways we can use our hands to communicate and create, how we can use our hands to care and help others. Finally, how people who do not have hands can be creative.

PE

Gymnastics

Science – Everyday Materials

Within our science topic of materials children will be identifying objects and the materials they are composed of, naming a variety of everyday materials, describing the simple physical features of a variety of everyday materials and compare and group everyday materials based on their properties.

Maths

Place value within 10
Addition and Subtraction

Music

Hey you!

Computing – What is a Computer?

This term the children will be learning about the different parts of a computer and iPad. They will also learn tips and tricks in how to use both computers and iPad and we will also be looking at the inner workings of computers.
