On Tuesday 10 of our Year six children attended our local Kirkby Gallery. They have been inspired to create their own works of art which will be displayed in the gallery later in the term. These masterpieces will also be auctioned to the highest bidder!!

We now have a whole school attendance display so all of the children can celebrate good attendance. Our first attendance monitors who have excellent or most improved attendance are:

**Y1 Stuart Y2 Ayda Y3 Esther Y4 Jasmine
Y5 Logan Y6 Lillie**

These children will be responsible for moving the rockets for their class. The monitors will be changed every three weeks so keep improving your attendance for a chance to be one!

Children with additional needs survey. We really value your opinion about our SEND provision. Please scan the QR code or go to the website below. Your responses will help to shape our response to different needs.

All responses are anonymous.

Within our English topic we have been reading '10 things I can do to help my world', one of the things the book suggests to do, is to plant seeds. So year 1 have been planting Wild Garden Flower seeds around our school grounds for the past week which will help us next term in our science topic 'Plants'.

Year 2 have been studying Kenya and going on safari! They have looked at the climate in Kenya and how this shapes the landscape.

They have been comparing Kenya to the UK and have really enjoyed learning about different cultures. Building on their knowledge of Kenya in DT they have designed, made and evaluated finger puppets.

Councillor Steve Guy Surgery.

Steve will be in school every month. His first surgery will be on 7th March 11am—12

Some more fantastic Y4 writing from Courtney!!
