Garden Rangers

The Rangers have been very busy over the past few weeks as growing season starts! The children have become members of the Royal Horticultural Society and are working towards certification.

We are also taking part in a national scheme to grow our own potatoes. The Rangers have started the process by "chitting" the potatoes so that they become ready to plant.

We expect a bumper crop of new potatoes in the coming months. They will be ideal for potato salad which the children will be making and tasting. A big thanks to Mrs Stewart and Mr Donnelly for making this all happen.

Parent Views

It's great to hear from parents about our school. Many parents are asking about a paid for after school club service. This is something that we are looking into and doing some work on with governors.

Nursery & Reception

Snack money £1 a week.

Please can you bring it in weekly as our snack fund is really very low.

Comic Relief Day

Friday 17th March.

We will be selling red noses on the run up to the day for £2.50. These noses are not suitable for children under 7 so we will only sell them to Y3-6.

Other year groups, we will paint their noses red with Snazaroo for £1. If your child has any allergies to Snazaroo red face paint please let your class teacher know or ring the school office and let them know.

A big thank you to Mrs Cooper for arranging a visit from the Police. The children discussed how the Police can help us and how to keep safe. Don't worry Miss Marsh didn't do anything wrong she was just helping to show how police use handcuffs!
