

Westvale News

Friday 24th March

Dates for your diary

Date & Time	Event
27th March	Bully Busters working with children
29th March	Parent & Teacher afternoon
31st March	School closes at 1:30 pm for Easter break
21st April (9am)	Friends of Westvale meeting

Kirkby Spring Concert.

14 of our Y3/4 children took part in the concert this week. A massive thanks to Mrs Haywood and Mr Carson for making this happen. Our children performed fantastically well!

Changing Me—Jigsaw PSHE

Summer term all children will be studying their "Changing Me" unit in Jigsaw PSHE. Y4 will be looking at Having a baby
Y5 will be looking at conception
Y6 will be looking at birth.

If you would like any further information please contact our school office.

Online Behaviour

Do you really know what your child is doing on their devices and online? Amid an increase of concerns being brought into school by parents, reporting inappropriate use of language and sharing of content at home, we are supporting children to really consider their digital footprint. Every picture, video, voice note and message can be shared, screenshot or recorded. Parents need to access devices on a daily basis to check what children are doing, better still be in a position to supervise what children are doing whilst they are doing it.

Whole school attendance : 94%

Reception	96%
Y1	96%
Y2	91%
Y3	91%
Y4	97%
Y5	95%
Y6	92%

Y6	Lucy- Ann & Ruby

Team points	This week	Total
Venus	195	943
Neptune	140	890
Saturn	214	963
Jupiter	189	937

Friends of Westvale

A massive thank you to the Friends of Westvale and the staff for making our first Bingo a massive success!!

It was eyes down for lines and full houses with plenty of winners. Star prize was a leg of lamb for the Easter roast! Everybody had such a fantastic time that they have asked for another Bingo night. We would love to organise a whole variety of events like this so if you can join our meeting on the 21st April (9am) please come along. We raised over £350 for our school!!

Year 5

As part of their DT topic Year 5 have been making market stalls. They linked it to their book study and have been re-

searching the Arabic language. Using their cutting, assemble and join techniques they have created structures to hold different weights. They also used design techniques to make miniature food and pottery items.

Congratulations to our Science competition winners!!!

Mrs Harris delivered a fantastic assembly about inspirational scientists last week and the children loved it!

Thanks so much to all of the children who researched and designed posters. Here are our top 5!!
