Children's University Graduation

It was a real pleasure to see so many of our fantastically talented and dedicated children graduating at Hope University yesterday. It was an amazing celebration of talent and passion for sports and arts. A massive thank you to all of our staff who give up their own time

Westvale Wonder!

It looks like we have a future GB Lioness at Westvale.

Penny has had some amazing news this week that she has passed three trials for Manchester United girls.

After three gruelling trials showing off her fiendish footwork Penny is through to the Pre Academy stage.

This means that there will be Manchester United at all of her games watching her shoot and score!

Congratulations from all of us at Westvale you star!!

Dogs on school property
