Key stage 2 had a fantastic time last Friday getting to work with the Confucius Institute. The children were taught how to speak Mandarin, hear stories from Chinese culture, create origami art work and write using calligraphy! We even had a Chinese banquet and fortune cookies at lunch time!

Equality is...

This week in assembly we have been looking at **Equality**. We could see that all of our egg friends were different on the outside.

Different hair, colour eyes etc. When we looked inside they were all the same! We discussed that being fair may look different to treating exactly the same. Please ask your children to explain this to you.

Reception Sports

A massive thank you to Will for recognising our athletes in Reception with a special presentation of certificates. The children have loved taking part in the lunch time sports clubs.
