Last week we had some very special visitors to our school. Although we

have to wait until the report is published to discuss the findings we would like to thank all of the parents who responded to their questions. The inspectors gave us lots of positives that Westvale does really well and they have identified areas that we can improve upon.

The children showed their confidence and love of learning throughout the visit which really impressed the inspectors.

Parent Coffee Morning

First day back after half term we have a specialist teacher providing help with reading at home. Diane will also be helping with ideas for children who find reading difficult. Our SENDCo, Mr Court, will also be on hand to chat about any concerns you have about your child. Please come along to the hall doors on the morning at 9am.

Attendance Matters

It can be very tempting to book a holiday during term time but it has massive impact upon learning. We can not authorise holidays during term time and Local Authority will follow up with fines.

We have next year's dates on our website so please refer to them when booking holidays.

A massive thank you to Friends of Kirkby Gallery & Prescott Museum for allowing us to lend more pieces of art!

The art is called "Red River Hogs" from the artist Julia Midgley.

A massive thank you to Pippa who very kindly made cakes for her whole class! A Masterchef in the making!!

Garden Rangers Assemble!!
WOW—we've done it again! The amazing garden rangers and Mrs Stewart have reached the next level of being green fingered. Not only has their hard work been recognised by achieving Level 3 of the Royal Horticultural Society but we also won £50 to spend on our garden. Mrs Stewart is already scouring garden centres to see what our next garden purchase will be!!

Free after school clubs for families at our school on a Monday!!

Harry has already been into school to work with Key Stage 2 children this week. We would love as many families to join us as we can get!

Each week families will work together to take part in fun games and learning about healthy cooking and eating. There will be resources given to all of the families attending. If you want any more information ask at the office or email Sophie on
