## Family Activity & Cookery Club Sign Up

We are really lucky to be part of a project with Sophie and her team to bring sports coaches and chefs to work with our families again in September.

Families who took part last term had a fantastic time. This year will be slightly different as it will take place on Mondays 2pm—3pm. It lasts for 5 weeks and has a whole host of fun activities, family challenges and virtual cookery courses. Let us know if you would like to take part or scan the QR code below!

We have some national champions in our school!  
Fynn, Freddie & Jude spent a long day at the Northern Open in Wigan this weekend as they kept on winning and getting through to the next round each time. They were superb at demonstrating martial art skills at the highest level. The boys would recommend Karate to anyone who is thinking about starting it as it's fun and keeps you fit!
