Westvale Winners!

We are continuing to review our approach to behaviour at Westvale and we would like to reward those children who always do the right thing. All staff now have raffle tickets to hand out when they see good manners, kindness, correct uniform, excellent work etc. Each week we will draw winning tickets and those winners will choose their prize. Our Y5 superstars took the prize baskets around to show the children what they could win.

New Nursery Provision

We are all extremely excited about our new Nursery building that will open in December. Staff have been working closely with the building team to ensure that we have a brand new state of the art Nursery class. Miss Marsh and Mrs Sanders will be opening the Nursery for full days from January. If you know of any families with children who would like to join us then please let us know and we will contact them.

Lavinia has already started to share her home learning projects with her class. Fantastic work Lavinia!

Natwest Making Money Sense

Y4 learnt about how they could save the planet and money with Natwest today. The children have been learning about saving money in a piggy bank and eventually the real bank. They were putting their maths lessons into everyday reality by looking at costs of electricity and how to be efficient with their money. We look forward to our visitors from Natwest returning to work with other year groups in the coming weeks. The children were also presented with certificates and gifts from Natwest!
