Reception	Lucas
Y1	Reeva & Nancy
Y2	Lottie & Matthew
Y3	Ava & Atreyu
Y4	Amelia-Lilly & Isaac
Y5	Alex & Elisa
Y6	Christopher & Ryan

Reception have had a SPOOKtacular time this week. The children have been super busy with all different spooky activities on the run up to Halloween. As a class they looked at the artist **Yayoi Kusama** who is a Japanese contemporary artist. They used cotton buds to work on their fine motor skills to recreate some of her work on a real pumpkin!

Entry into school of a morning—Health & Safety

After half term there will only be one main entrance into school of a morning. We have reviewed our H&S and feel that this will ensure that children are safe on site when parents drop off.

The Whitefield Drive entrance will not be open of a morning. Please drop your child off and then leave them to play until going into school with their teacher.

Beacon Project At Westvale Primary

Some of our children have been chosen to attend a special project at Kirkdale Fire Station. The children have been learning how to work as a tight knit team and used specialist fire fighting equipment.

A massive thank you to Mr Court for arranging this!

Y6 Class Assembly

Friday 10th November change of time. Due to music lessons going on in the hall we have to change the time to 2:45 pm. Doors will open at 2:30 pm.

Year 1 Writing Wizards!

Not only have Year 1 impressed us all with their neat handwriting they have also blown us away with their knowledge of Emperor Penguins! The children have produced leaflets to share with all of the school to inform us about the way in which penguins move, what they eat and where they live. They have discussed how penguins are specially adapted to live in cold, wet conditions.

Well done to Grace and Reeva for their extra special versions!!
