Bully Buster Ambassadors

Our amazing ambassadors went to training from the Bully Busters last week. They came back to school to present at our school assembly about how to identify bullying and how to get help if faced with bullying. A massive thank you to them for helping us raise awareness.

Nursery Train Visit

Nursery had lots of fun riding the train to the new Headbolt Station. The children met Shelley who gave them their VIP tickets. The passengers all commented on how lovely and polite our children are! Our Nursery are Superstars!

Reception Round Up

Reception also made beautiful diya lamps and edible sparklers. They reflected on what they had learnt over the past few days whilst listening to Diwali inspired music and eating some Indian foods. What an amazing week!

Our school council have been working with the Local Authority on improving our school dinners. We will now be using proper plates and bowls in KS2. They tasted some new dishes and fed back to the Local Authority on what they would like for lunches in the future. Democracy in action!!

Thanks to everyone for dressing up and having fun for Children In Need. A massive thank you for your kind donations too!

Another full family learning session with Y1 families. Look out for more dates coming soon!
