Nursery Adventures.

Nursery went on yet another trip—this time to Advent Bounce. They are really getting out and about. They told us all so much about it when they returned!

Pippa has been awarded gold medal from Beth Tweddle Academy. Amazing work Pippa!

BREAKFAST WITH SANTA
All money and slips must be returned by Friday the 8th December.

20th December **FINISH AT 13:30**

Pathways to Read

New Reading Comprehension Scheme

We really need your help with improving comprehension skills. We will be spending a LOT of money on new schemes and resources. We need you to play your part and read with your child every night.

Together we can make really big improvements in comprehension. We will be holding parent workshops in the new year.

If you have any friends who are looking for Nursery or Reception places please ask them to get in touch with our school office.

We have limited spaces available in Nursery in January. Our brand new Nursery unit will open in the new year.

We are really lucky to be working with IntoUniversity on school projects this year.

Our years 4,5 &6 will be included in the school based projects. Year 6 will have a full week in January which will focus on an Oceanography degree course! They will get two free trips paid for by IntoUniversity.

If you are year 3 or above you can also book into their after school clubs. They are based in Kirkby town centre—pop in and see Abbie.
