

English:

“Leon and the Place Between’ by Grahame Baker Smith & Angela McAllister is a fiction-fantasy story with mystical illustrations for pupils to decode.. We will focus on diary writing and the children will be introduced to plural and possessive apostrophes..

Geography: Why do people live near volcanoes?

Children will learn about how the earth is constructed and find out where and why volcanoes erupt. We will also investigate the types of rocks we find around our school.

Maths:

This term in Maths, Year 4 will build on their prior learning when multiplying. We will also be learning how to calculate the area of a quadrilateral.

Music:

Tuesday afternoon - keyboards
Charanga – Glockenspiel 2

RE: What does sacrifice mean?

PE:

Gymnastics and Ball Skills
Our PE lessons will be every Thursday afternoon.

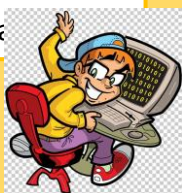

Autumn 2 Year 4

PSHE: - Celebrating Differences. We will discuss judging by appearance, understanding influences and problem solving.

Computing:

Hour of Code- The children will be introduced to basic coding.

Science: - Electricity - Circuits

Our science lessons will be practical this half term as the children will learn about the electrical products in our homes. Are they battery or mains powered? They will construct basic circuits with cells, lamps, buzzers and switches and test which materials are good electrical conductors.

Spanish:

This half term we will be going to Kirkby High for Spanish lessons and we will be discussing pets.

Guided Reading:

The Train to Impossible Places by P.G. Bell

The children will read extracts from this fantasy adventure book and focus on their retrieval and inference skills.
