| Y4                        | 88% |
| Y5                        | 91% |
| Y6                        | 98% |

## Attendance News

The attendance is lower this week due to a bug going around. We continue to deep clean the classes and ask that children use hand sanitiser regularly.

**We can't teach an empty chair!**

## Kirkby Crusade

A massive thanks to all at Westvale from the Kirkby Crusade. These will be distributed in our local community in December!

## Morris Dance Competition

Pippa was awarded gold in numerous dance competitions at a huge dance festival. She is that good she was asked to dance with the older girls and won that too! Congrats Pippa!

## Into University Degrees

Congratulations to Year six who have been studying a degree in science this week. The children have been working with Into University and studying a marine science degree.

This involved a trip to the museums and workshops around science principles.

The children graduated in a ceremony held at Liverpool University on Friday.

Here's to lots of the class going into careers involving science and maths.

## Kirkby Collaborative School Council

Westvale is part of a family of 14 schools in our local area. The schools work together on lots of different issues. This week we hosted all 14 schools in a collective school council meeting. The children discussed attendance and how to improve it in school. They swapped ideas and talked about why going to school was so important. To get to know each other we made smores around the camp fire too! We will be meeting again in February!

# Westvale Tots Grotto

Is your child age 2, 3 or 4 and ready to start  
Nursery or Reception in 2026?

Early Years Open  
Event

Call 0151 477 8470

If so, you and your child are invited to  
Westvale's Christmas Grotto to meet Santa and  
look around our fantastic Early Years.

**Tuesday 2<sup>nd</sup> December 3.45-4.45**
