Mrs Harris, our Science lead, has been providing lunchtime clubs to look at Science around us.

The children have loved carrying out experiments and seeing what happens when they change one variable.

This week the children have been looking at dissolving and chromatography in fun ways!

## Shabbat Shalom!

This Hebrew greeting, meaning "peaceful Sabbath," is used to wish someone a restful and peaceful Shabbat (the Jewish day of rest), starting Friday sundown through Saturday after dark. Year 1 children experienced their own Shabbat and told us all about the celebration!

## Year 5 Into University Trip

Y5 spent the day at Into University perfecting their computer programming skills. A fun day filled with learning!
