Moments matter, attendance counts!

Lock down Procedures

Every school in the country has carefully planned lockdown procedures in place just in case they are needed.

We talk to your children about it and use the example that there may be a stray dog that we are unsure of and we need to hide away from it. In reality this may be an intruder on site that we need to keep a distance from.

Every year we must run a test of our procedures to ensure that everyone knows what to do—just like a fire drill. We will be carrying out a test lockdown at some point this Summer. Other schools in Kirkby will be doing the same so please do not worry if your child discusses this happening.

Whole school attendance : 94.4%	
Reception	95%
Y1	85%
Y2	94%
Y3	97%
Y4	93%
Y5	95%
Y6	99%

FC Kirkby & Prescott Cables FC Champions being celebrated in school!

MOMENTS MATTER, ATTENDANCE COUNTS.

Year 3 Maths Wizards

Miss King and Miss Fury have been putting on additional maths sessions of a morning before school starts. These maths stars love maths so much that they attend every week.

This week they have been mastering telling the time and money. Well done to all!

Healthy Cookery Courses

Once again we have had a brilliant 6 weeks of cookery with our families.

Children have been working alongside their families to produce healthy and nutritious meals from scratch. Along the way they have made : pasta sauce and pasta, healthy vegetable pizzas and humous and crudites.

Everyone involved has had a fantastic time and the children have developed their cookery and life skills. The children are able to use cutting techniques and cookery skills to whip up their meals. All great in planning for their future lives as independent adults!

100% Attendance Water Fights

Year 6 have had 100% attendance and so become the first class to receive a water fight on the field. Fingers crossed other classes get to experience this before Summer ends!

Photos to follow next week.....

Dates for your diary
