

Free Breakfast Club

Starting September 2026

We are delighted to announce that, from September 2026, all pupils from Reception to Year 6 will be able to attend our **free 30-minute Breakfast Club**, funded through the Government's Breakfast Club programme.

The club will run from **8:15am in the main dining hall** and will operate on a drop-in basis. Children should enter through the dining hall doors, where staff will register them on arrival.

This will run alongside our existing Breakfast Club, which starts at **7:30am** and costs **£2.00 per day**.

Please note that children should not arrive before **8:15am** unless they have a booked place at the fee-paying Breakfast Club.

Please see the Breakfast Club menu attached for further information.

Kind regards,

Mr C. Richardson
