Science Club

Mrs Harris has been inundated by the demand for Science club and will be expanding it next year. The current members have been looking at 'STEM' exploring friction, gravity, mechanisms and problem solving.

Let's make next year the best attended year in Westvale history!

Make sure that you look at our holiday dates for next year and stick to them.

Top Tip—if the holiday you are booking seems cheap—it's because you should be in school.

Tough Runner

As always, Westvale have thought out of the box and made sure that your children have the best experiences! Staff discussed sports day with the children and although they enjoyed it—they didn't like waiting around for their turn. They wanted something a bit more exciting so.....

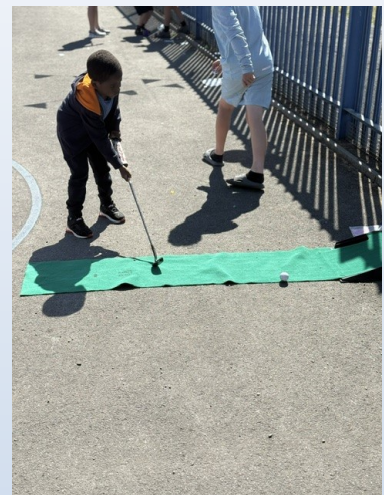

**MOMENTS
MATTER,
ATTENDANCE
COUNTS.**

Massive thanks to Mr Court for getting to school at 6am to set up the course. Big thanks to all of Westvale staff for making it such a magical day for our children!

Fun Day

A real highlight of our school calendar and such great fun. Miss Walsh has worked extremely hard over the past few months meticulously planning the day. A massive thanks to her and her team of year five children for providing a carnival theme to the last week of term!

Whilst other schools are winding down Westvale staff are working their socks off to ensure our children build memories and have the best times.

Why would you stay off school???

Year 6 End of Term Production

WOW! The reviews are in and it's a massive **West (vale) End Smash!**

Once again Miss Walsh's script hit the mark and had us all rolling in the aisles and cheering with joy. A massive thanks to Mrs Bailey and Mrs Hall for working their magic with the huge pool of talent that is Y6!

Y6 sang with gusto and gave Broadway style performances—we will miss your dramatic flounces and spot on singing!
