 Halloween is a
 
 special
 
 event that happens
 
 every year.
 

 It happens on
 31st

 October.

 Lots of people
 
 like
 
 to dress up
 
 in costumes.

 They
 
 decorate
 
 their homes and
 
 go
 
 trick or treating.

For Halloween, I can wear a costume.

A costume is a special outfit that can be anything I want.

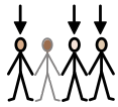

I can dress up as a superhero, a monster or an animal.

I can choose a costume which helps me feel happy.

Many people

decorate

their homes

with fun things.

This could be

pumpkins,

spiders,

webs

or ghosts.

I can

help

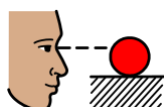

decorate

my house

or I can

look at

the decorations

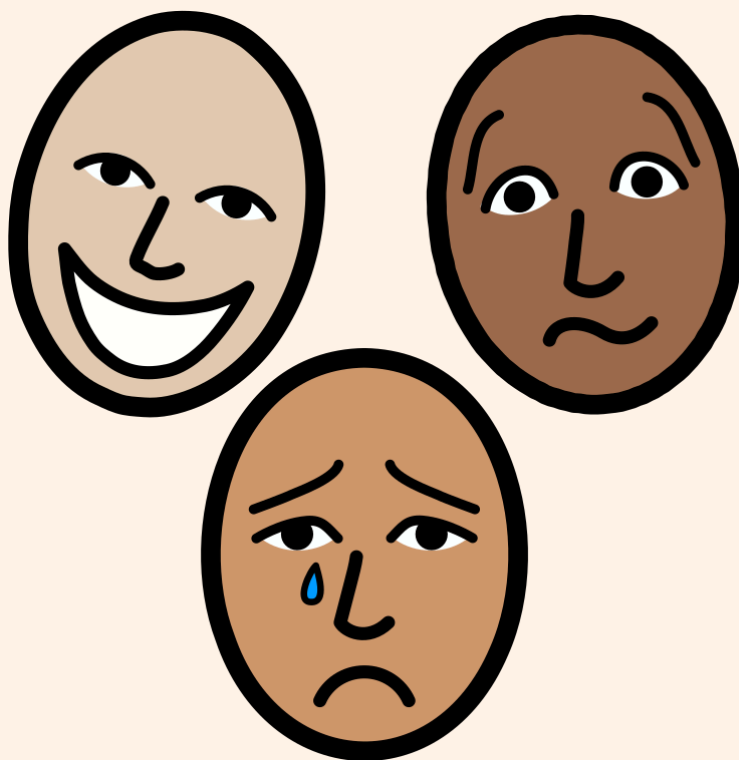

around

my

neighbourhood.

Some people

might feel frightened

or

worried about

the decorations.

This is okay.

Some people

might feel excited

or

happy about

the decorations.

This is okay.

The decorations

are

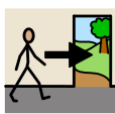

just for fun.

On Halloween,

some children

go

trick or treating.

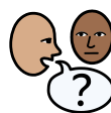

This means walking

from house

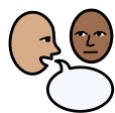

to house

asking for

sweets.

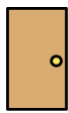

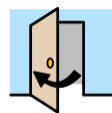

I can say

"trick or treat"

when the door

opens.

If I feel

unsure

or

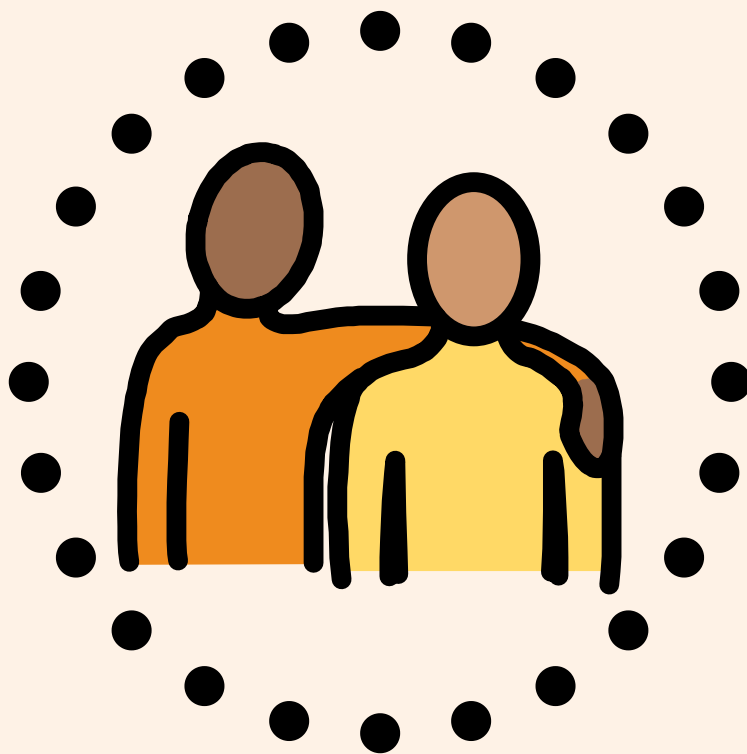

worried,

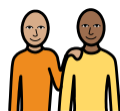

I can

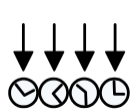

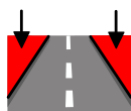

hold my carer's hand.

It is important to stay safe on Halloween.

I will stay close to my family or friends.

I will always walk on the pavement.

I will only go to the houses where there are decorations.

 I may get lots of treats on Halloween.

 1 Once I am home, I can enjoy some of them.

 My carer will let me know what treats I can eat.

 Have fun and enjoy Halloween.
