My name is

.....

I

go to

.....

school.

I am in

.....

class.

I have

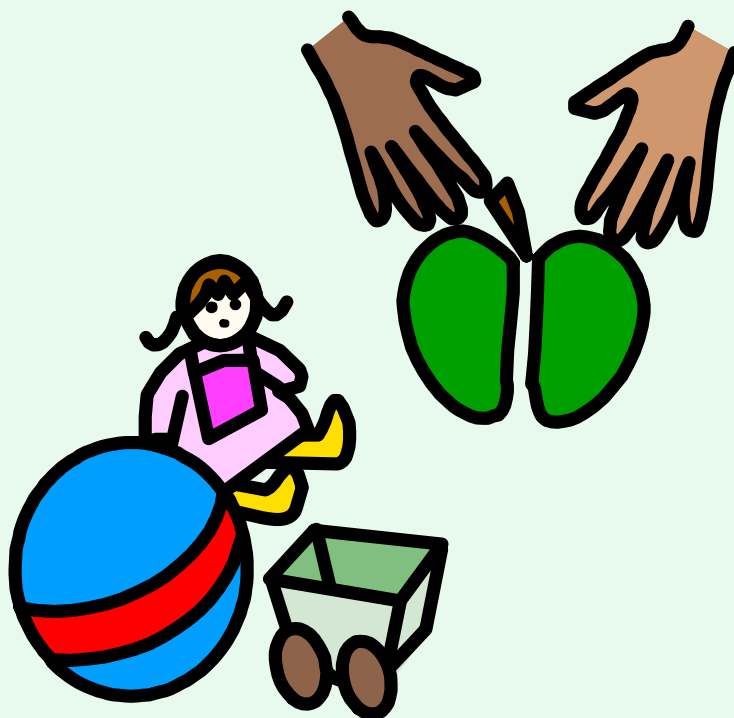

lots of

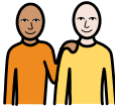

friends

in my class.

 I enjoy playing with my friends.

 I feel happy when I'm playing with my friends.

 Sometimes my friends and I want to play with the same toy.

 When this happens we need to share.

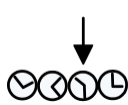

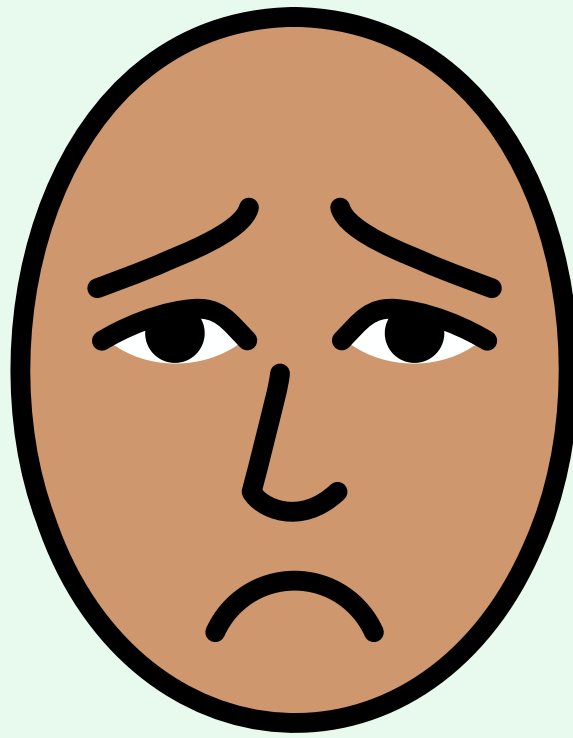

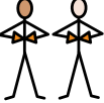

If I don't share I might play on my own.

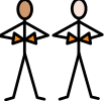

If I don't share I might feel sad.

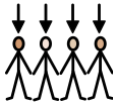

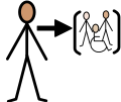

If I don't share I might feel lonely.

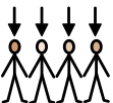

If it is hard to share I can ask an adult to help.

 We
  could
  take it in turns
 and
  use
  a sand timer
 to help.

 We
  could
  play
 with
  the toy
 together.

 everyone
 is
  included
 and feels
  happy.

 It can be
  more
 fun
 when
  everyone
 plays
  together.
