This resource was made primarily with a single skin-tone as it is intended to be used with a specific person. To personalise the story, you can customise skin-tones, change symbol colours and add your own photos. For more information on how to do this, access our free training webinars at <https://www.widgit.com/training/index.htm>

All of the materials are copyright. Files and documents printed from those files may be used within the purchasing organisation. They may not be passed to other centres.

My name is

Sometimes

I

play games

with

my friends

and

family.

Winning

games

can be great.

It might make

the winner

feel good.

 Sometimes I win.

 It might make me feel good.

 Sometimes my friends or family win.

 That might be good for them.

That would be unfair.

Everyone

should get a chance

at

winning.

That is fair.

Sometimes

it can feel uncomfortable

inside

when we don't win.

This is an emotion

that

I am feeling.

I can ask

for

something that makes me feel

better.

I could play the game again

when the uncomfortable feeling

has gone.

When someone wins, we could say,

'Well done!' or 'Congratulations!'

This can make the winner happy.

This is good.

When I win, they might say, **'Congratulations'** to me!

They might make me happy.

Everyone can learn to be a good game player.

WELL DONE ME!
